

The Agency is providing you with \$400 for medical only. Additionally, as in the past we are providing a budget that you can use for one or both the medical and dependent FSAs. The 2009 budget is \$900, that you can apply in whole or part to the medical and/or dependent FSAs. You may also make your own contributions from pay towards either FSA, in addition to the amounts you apply from the FCA budget. Follow the two steps below to make your allocations for

**Step 1.** Enter the amount of the Agency provided \$900 to the medical. Any remainder will be applied to the dependent FSA. If you do not want any amount in medical, then enter 0. If you don't want any amount in dependent, enter \$900.

**Step 2.** Enter the amount of your own contribution from pay in line 7 for medical and line 11 for dependent, if any.

Line 1	Your FCA FSA Variæ Annual Budget	<b>\$900</b>
